

Privacy policy for the publication of posters on the website of Science 4 Technology @MUL

We take the protection of your personal data very seriously. This privacy policy informs you about how we process your personal data when you publish a poster on our website.

The corresponding author (contributor) is the person who signs the privacy policy on behalf of all of the authors and whose contact details are included in the poster.

Purpose of data processing

The publication of your poster on our website is solely for the purpose of presenting and sharing the content of the posters.

Processed data

The publication of your poster on our website contains the following personal data

- Name of the author
- Contact details (e-mail address) of the author
- Information about the poster (title, description, date of creation, etc.)
- Other information provided voluntarily by the author
- Your personal data will be processed on the basis of your consent in accordance with Article 6(1)(a) of the General Data Protection Regulation (DSGVO).

Data transfer to third parties

Your personal data will not be passed on to third parties unless you have expressly consented to this or there is a legal obligation to do so.

Storage period

Your personal data will be stored for as long as is necessary for the purpose of publishing the posters on our website. You have the right to withdraw your consent at any time and to request the deletion of your data.

Your rights

You have the right to information about the processing of your personal data, the right to rectification, erasure or restriction of processing and the right to data portability in accordance with the applicable data protection laws.

Contact us

If you have any questions or concerns regarding the processing of your personal data or this privacy policy, you can contact us at any time at.
